

Tutoring CONTRACT

I understand that during tutoring I am expected to:

1. Be on time and ready to work.
2. Be positive.
3. Be teachable.
4. Be respectful.
5. Be disciplined.
6. Be mindful about my learning.

The OG approach is an intensive method where students are taught in a prescriptive, systematic, comprehensive approach. Each lesson is prepared specifically for a given student. Our tutors spend 1-2 hours *per lesson* preparing to give each child the very best lesson possible!

"The work will not always be easy, but it *will* be worth it!"

**Failure to follow expectations will result in the possible expulsion of a student from the program to make room for a student who is prepared to meet these expectations. It is our desire to help all of our students achieve their goals.

I, _____, understand the above expectations for Tutoring and will follow them to the best of my ability.
